Dear Winston
I hope this email finds you well.I apologise for the late response.
Attached please find the letter .One Pager ,as promised.
From my point of view it is a sensitive paper ,since it includes intimate information
about the company and my intentions and future plans. I trust you to treat it accordingly.
No need to show it to those working levels who could hear it ,paraphrased, from you.
Anyhow as I've informed you in the previous email there are some changes re my availabilities.
I hope that it could be solved. please don't hesitate to contact me if any obstacle appears.
For Hyperion and myself this is very important visit.
Thanks again for all your efforts
Looking forward to see you
Best
Ehud
